

# How to find the "Equipment Number"

**Bruker Optics** 

#### new label (since July 2005)

#### old label

### Examples:

## If no Equipment or Order Number is available:

**Bruker Optics** 

Instruments **delivered before 2000** are only identifiable by the serial number!

You will find a label with the serial number on the back side of the instrument:

new SN label

S/N: VN884	99
Type: I 16758	0

old SN label
